THE 1999 GREEN KNIGHT

1998-1999 - - - THIS IS IT! The end of the millenium is upon us. Doom and gloom prophecies state that 1999 ends it all; therefore, THIS IS IT!

Class of 1999, you're finally Seniors. You've spent your entire high school careers wondering how your Senior Year would be. Well, THIS IS IT! (Freshmen, THIS IS IT for you, too! You're finally in high school. Enjoy it because it goes quickly!)

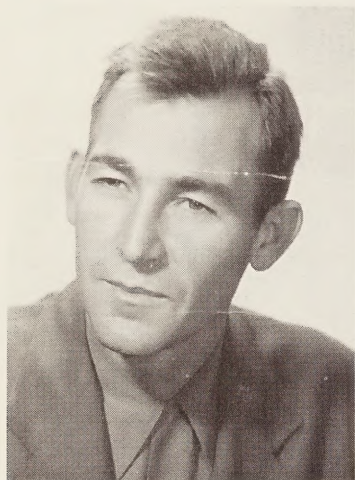

From the entire Green Knight Staff, we would like to extend our appreciation to all of those who helped to contribute to the success of our yearbook. We could not have attempted to produce The Green Knight without all of the businesses, civic organizations, and parents who have donated and bought ads this year. For this, we thank-you. We hope that every student, parent, CHS faculty and staff member, and patron will be pleased with the final 20th Century editing of The Green Knight. When it all comes down t it, you've wondered about this edition of the Green Knight. What will it be like? Wait's over! It's here; you're holding it in your hands, and hopefully it meets your approval because, guys....

THIS IS IT!!!

JOHNIE B. DEEL
MEMORIAL LIBRARY
CLINTWOOD, VIRGINIA

This is the beginning of a good thing. 1

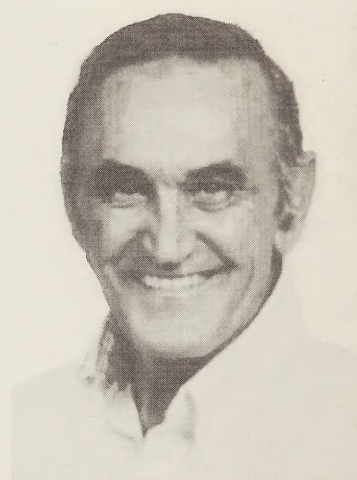

DEDICATION

MR. HOWARD DEEL

MRS. CARRIE MULLINS

MR. HANK HAMILTON

What is a fan? Webster's dictionary states that a fan is "a person enthusiastic about a sport, a devotee." This is true in all places, with the exception of Clintwood.

A Green Wave fan is a person who has devoted energy, love, and time - not only to the sport, but to Clintwood High School.

A fan is a person who lends advice and offers support, a pat on the back for a job well done, and a pat on the back for a well accepted defeat.

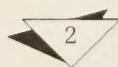

A fan is a parent who offers the child the opportunity to play, and teaches him/her how to play with integrity, honesty, and compassion.

A fan is the coach who develops a bond with the players and who by devoting valuable time, comes to see the players not only as athletes, but as his or her own children.

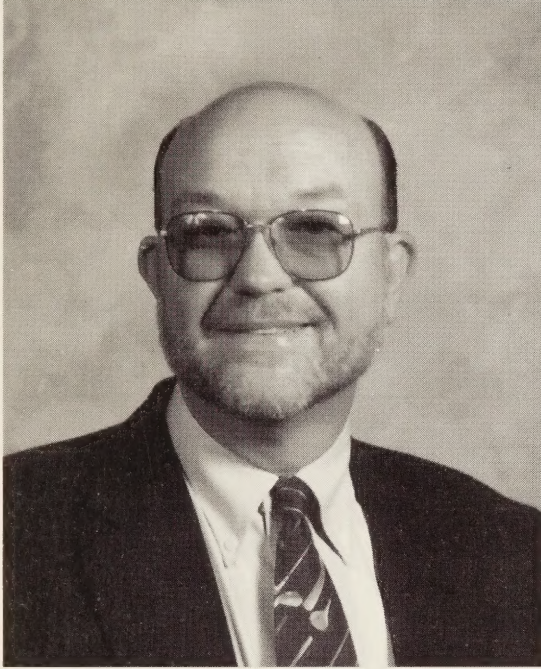

The Green Knight Staff has chosen to dedicate the 1999 Green Knight to the loving memory of three quintessential Green Wave Fans:

Carrie Mullins, Howard Deel, and Hank Hamilton.

The three, by words and actions, have come to epitomize all that it means to be a Loyal and True Green Wave Fan.

Words From Above

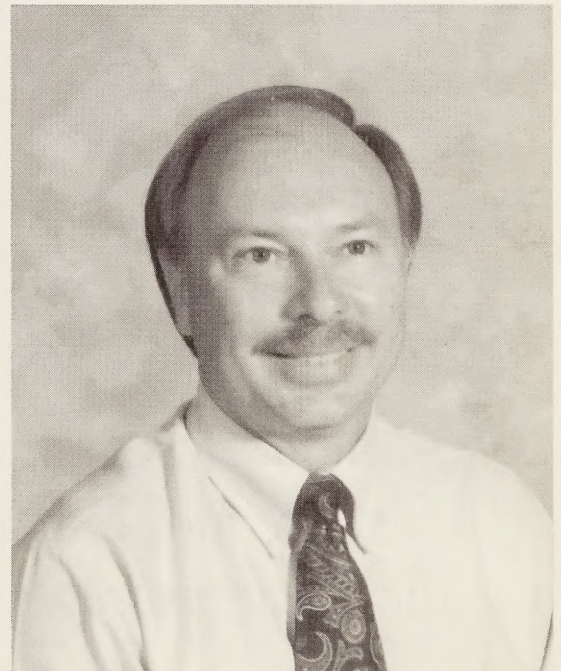

The administration, faculty, and staff of Clintwood High School have several challenges that we encourage all students to meet: Take advantage of the opportunity set before you to receive a quality education that will enable you to compete successfully in the future. Build successfully upon the foundation that you achieve here at CHS. Don't set goals that are easily attained; rather, reach for the difficult objective and make your mark on the world. Make a difference in our culture, in your personal relationships, in life.

We hope that this year at CHS has been a memorable and successful one for everyone. All of our students possess remarkable attributes, that combined, make CHS a truly remarkable school.

Burl Mooney
Principal

The yearbook is an excellent means of describing the many faces of Clintwood High School. The individuals pictured here are a visual interpretation of our school. It provides memorable experiences of students, faculty, and staff. Those pictured will be able to recall this school year and will be forever reminded of the "good ole days" at CHS.

Bill Castle
Assistant Principal

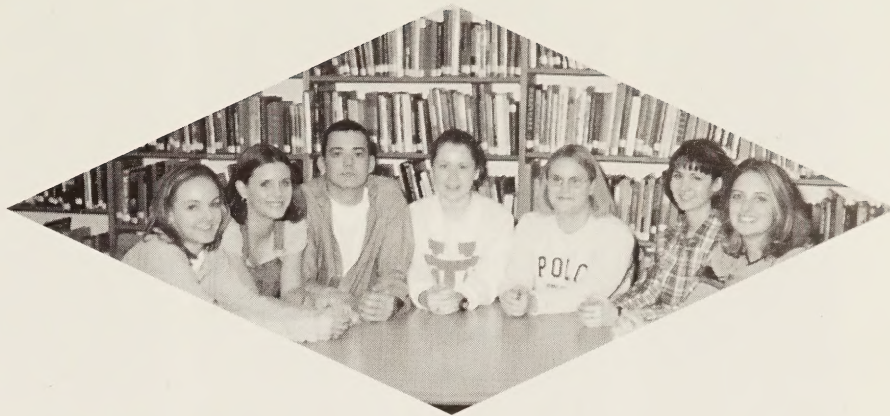

UNDERCLASSMEN 98-99

As a change for the Milliennium, the yearbook staff has decided to update and introduce a new and improved Green Knight. In this year's edition, underclassmen will be in one section. A section that reflects the meaning of being a student at Clintwood High School: the excitement of sports, the challenge of academics, the nostalgia of homecoming, and the frustration of exams. This is it! From the freshmen's anticipation of the first day of high school, to the sophomore's winning float entry, and to the juniors' excitement of planning and preparing for their first prom, these are the memories of the underclassmen. This is the high school experience. This is it: The juniors, the sophomores, and the freshmen of Clintwood High School!

Underclassmen

To Left: Leann, Sheena, Amanda, and Ashley are all smiles for the camara.

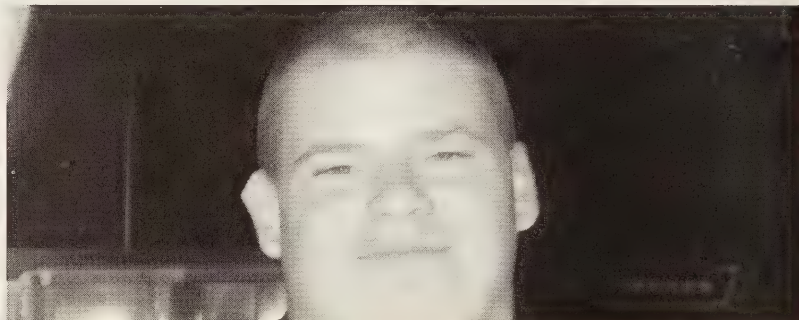

To Right: Myranda is all layed out enjoying her lunch.

Top: Jessica ponders the meaning of life during Governor's school.
To Left: Freshman represent Clintwood's "West End Posse."

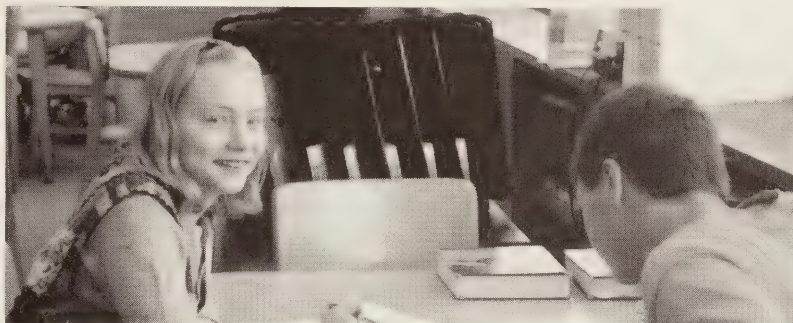

To Left: Donnie Paul Dawson and Brandon Evans have a peaceful lunch together.
To Right: Jarrod Salyer grins at the camera.

To Left: Juniors enjoy time spent together.

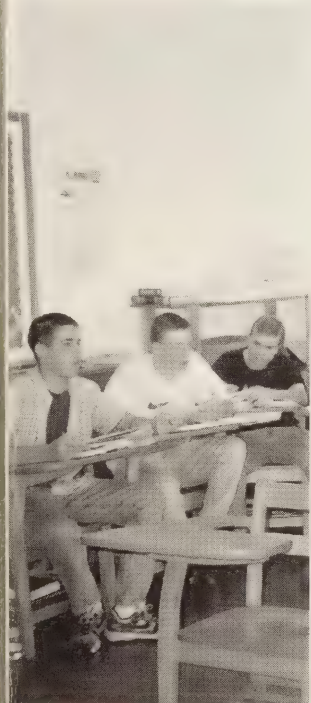

To Left: Sirena Mullins and Amy Kiser take a break from work to pose for the camera.
To Right: Bobby Hale and his tea-can fan.

To Right: Rebecca Hill hard at work in the library.

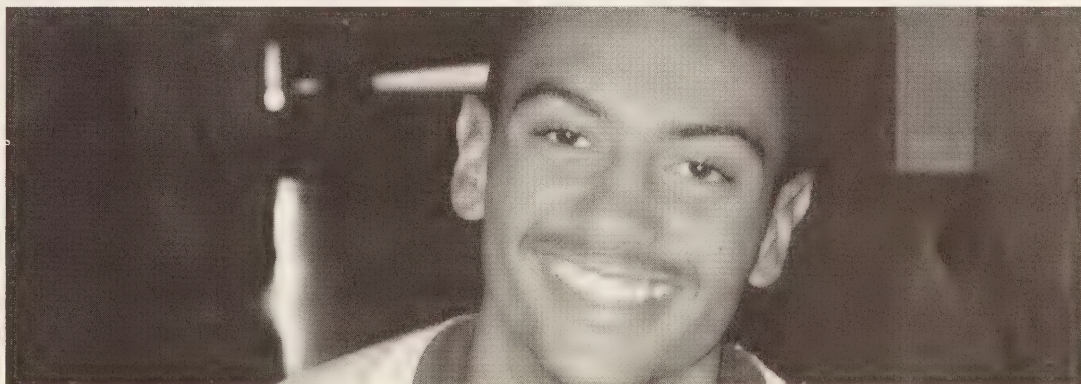

To Left: Shauna Lyall takes a nap in one of Mr. Stanley's classes.

To Left: 9th grade English students debate the differences in adverbs and adjectives.
To Right: Derek, Grantt, and John Ed speak no evil, hear no evil, and see no evil.

To Right: Justin is excited to see Friday come.

THIS IS

It seems as if only yesterday we came here as tiny eighth graders, or basement rats as we were called. This high school was a whole new world for us. For some it was a big change; however, we all adjusted rather well. It seems as if the past five years have actually only been five months. The time that we thought would never come has finally arrived. The time that turns us out to the real world has quickly approached us. The time has come for us to step up and begin to plan what lies ahead of us.

Over the years we have grown closer, and made memories that will stay with us throughout our lives. Now many of us are realizing that these are our last days with most of our classmates. Friends that we have experienced and shared so much with will each choose their own path. We have watched each other grow up and change right before our very own eyes. Even though we have been so eager and anxious the past few months waiting for graduation to draw near, I think that each one of us will soon be wishing that that we could come back to the halls of CHS. Many of us do not realize just how good we have it here.

Our accomplishments have been great here at CHS. We finally got our picnic tables to actually eat outside the cafeteria, and hey guys we now have Pizza Hut pizza! Then don't forget taking first place with our homecoming float our ninth and tenth grade year, and of course our three whole times of winning the spirit award- once our sophomore grade year, once our junior year, and once our senior year. Then the big adjustment of block scheduling. But I believe we adjusted well. There is so much more for us to remember. Always have faith in yourself and remember to believe. You can be anything you want to be, or achieve anything you want to achieve. You are what you make of yourself. Always remember we came, we saw, and we conquered. May God bless and be with us all.

The 1999 Seniors were polled not only on their extra-curricular interests, but their academic interests as well. Seniors were asked to choose their most memorable teachers and classes at CHS, the classes that made them feel like they could truly express their feelings without experiencing rejection. The teachers that let Seniors explore the true meaning of learning and making high school, one of the most important times in their lives, fun, as well as the educational experiences that will take the Seniors to their highest dreams, help Seniors make memories that they will carry and cherish throughout the rest of their lives.

JUST FOR...

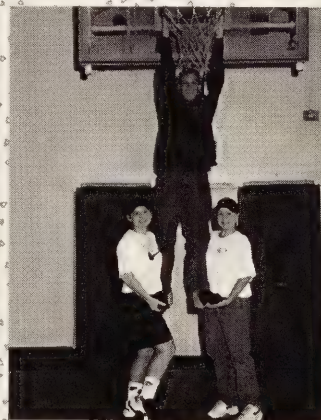

Due to the many "talents" that the Senior Class has among its members, we have chosen the people that we feel best fulfill the criteria of these Destined to be categories:

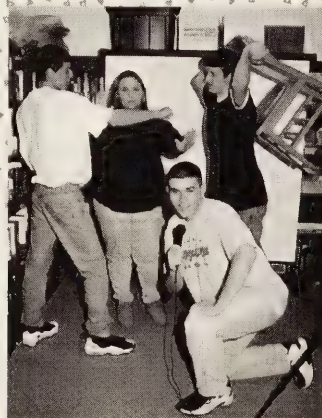

"Squish Cold" Thacker and "Goldbub" Childress are no doubt going to be Tag Team Champs of the World.

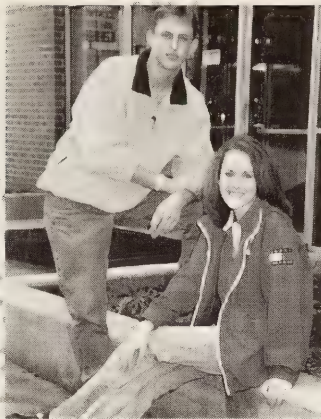

Jenni Blevins and Will Mullins, with talents like theirs, CHS has its own Mariah Carey and Ralph (as in Dr. Ralph Stanley).

Athleticism or do they just look good in the check? Ashley, Leah, and Brandon are destined to be in a Nike Ad.

No doubt Terra, Jeremy, Aaron, & Russell will be "Too Hot for TV" on Jerry Springer's show.

On the weekends we like to:

1. Spend time with boyfriends/girlfriends
2. Coon hunt
3. Cruise town
4. Hang out with friends
5. Party
6. Camp out
7. Go to the movies
8. Chicken Fight

Stylin' and profilin', Holly and Meldon are Tommy Hilfiger's inspiration... Destined to be in a Tommy Ad.

Ronny Small and Jennifer Dingus we feel possess the leadership skills to "Fill Mr. Mooney's shoes."

Smiling faces and quick wit will ensure Hope and Travis a sitcom on Must See T.V.

Is it because they are attributed to political know how or controversy that Bub and Kerri are destined to be an impeached president?

We as students at CHS are involved with more than just your basic math and english classes. We are offered classes through Governor's School, as well as Fiber Optics. Clubs stemming from our favorite classes such as FFA, Drama, and Odyssey of the Mind give us the opportunity to be involved outside of the classroom. The SCA gives students a chance to participate in politics. FBLA, DECA, and Mock Trial allow students to experience possible career choices. Community involvement is offered through the club SADD and organizations such as the NHS. These activities not only add to the enjoyment of Clintwood High School, but they also contribute in shaping our tomorrow.

The National Honor Society's purpose is to serve the school and the community. Students who have maintained at least an 8.0 average and are evaluated on character, leadership, and service abilities are inducted into the NHS.

The NHS hosts an annual Christmas party for the underprivileged children in the community. They also work the concession stands at boys basketball games.

The 1999 Governor's School Class consisted of the following students: Phillip Edwards, Ashleigh Edwards, Ella Smith, and Jessica Skeens. These students participated in biology, chemistry, physics over the internet. Not only did these students take classes, but they also took part in supervised laboratory experiments conducted in the chemistry lab at Clintwood High School.

The fiber optics class was offered at CHS for the first time this year. The classes that were taught through Fiber Optics were calculus, SAT prep, AP English. The students who participated in these classes were students who have excelled in their academic careers at CHS!

Our Sign Says It All.

Our big red sign has been a strong symbol of banking for Virginians and a familiar sight in our area for a long time. We're proud of being a part of the oldest bank holding company in Virginia ... and of remaining a community bank with local directors and hometown management. We think that's important because it gives us a unique, very personal understanding of the financial needs of the people we serve. Take a good look at our sign. We're proud of what it says about us and what it means for our community.

From the beginning 'til the end, the 1998-99 Clintwood Greenwave Boy's Basketball Team overcame many obstacles to reach their goal. Being a darkhorse in preseason, the Greenwave brought their fans an exciting race for first place in the Lonesome Pine District. Clintwood ended their regular season in style, by winning the LPD title for the first time in twenty years. They also picked up another trophy a week later by winning the LPD Tournament. In the Region D Tournament, Clintwood beat one of the best teams in the state by overcoming a 16 point deficit and scoring 32 points in the 4th quarter to beat the Council Cobras. They ended their winning streak by losing a heartbreaker in the Finals to their LPD rival, Pound. The Greenwave then advanced to the state quarterfinals for the first time in the thirty-six years, where they were defeated by the eventual Group A State Champion Glenvar Highlanders. Not too bad for the "loosest bunch ever."- Coach Castle
